

Habits of Mind Checklist

Write each student's name above a score column. For each observation, rate each student using the scale shown.

/	/	/	/	/	/
---	---	---	---	---	---

1	2	3	4	5
Almost never				Almost always

Score						Observation
						↩ Demonstrates a clear understanding of the PBCL goals.
						↩ Understands his/her role as a team member.
						↩ Speaks with clarity and directness.
						↩ Listens actively and avoids interrupting when others are talking.
						↩ Helps decide important issues by consensus.
						↩ Perseveres in the investigation without impulsively rushing to conclusions.
						↩ Monitors his/her own progress toward understanding and solution.
						↩ Diverges and converges in his/her thinking as appropriate to the situation.
						↩ Remains open-minded throughout the process.
						↩ Forms hypotheses based on observations and data.
						↩ Asks questions that reveal multiple perspectives.
						↩ Sees concepts at work in a problem reflecting his/her ability to analyze and synthesize.
						↩ Recognizes the implications and consequences of his/her actions.
						↩ Demonstrates thinking that values accuracy, precision, relevance, clarity, depth and fairness.
						↩ Demonstrates behavior that models independence, empathy, passion, humility, courage, integrity and curiosity.
